Please call 610-262-1000 if you have any changes to your existing account or if you need to make any additions/deletions to your vehicle list,

Additional Insured Information

As of January 2012, it is now mandatory for any commercial account dropping off product at our facility to list the FRCA as an Additional Insured on your Liability insurance policy. In most cases this can be accomplished by calling your insurance company and telling them you want to add the FRCA as an Additional Insured. Your Insurance Company will then fax a certificate to us at 610-262-1420. If this information is not on file in our office you will be denied access to the facility. If you have any questions regarding this process please call the office at 610-262-1000.

Please Note: Double Ground Mulch is available for purchase at \$15.00 cu yd.

Commercial Contractors must check-in at the office prior to drop off.

SMOKING IS PROHIBITED AT THE FRCA FACILITY.

The Authority is looking forward to serving your disposal needs for this year and we look forward to a continued business relationship with your Company.

Thank you,

William Bedics
